

# Blind Eye

MC5

At the freeway ramp she's always sitting there  
Breast feeding her baby on the side of the road  
She smiles at me but I don't see her  
I'm busy lookin' at my phone

I'm independent I'm just doin' me  
I look the other way and see what I want to see  
In my America everybody's free  
We have homes and we're all so very happy

I see no hunger, I see no fear

I turn a blind eye  
With a blind eye it disappears  
I turn a blind eye  
I look away from it  
I don't see it  
I turn a blind eye  
With a blind eye it disappears  
I turn a blind eye  
I don't see it  
I don't feel it  
It's not here

Got a perfect life I got a brand new wife  
In my brand new home  
I gotta turn on the tv to see what's goin' on  
Little kids on the border without their moms  
Bombs and wars it goes on and on  
There's a video game that I'd rather play today  
When I sign in it goes away

Get in your car open the garage  
The windows are up and the doors are locked  
Leave the block out your neighborhood past the rich  
People sleeping under a bridge  
Ya think for a second, ya think for a second  
Could this have been me?  
Could this have been me?  
Could this be me?  
Could this be me?

I turn a blind eye  
With a blind eye it disappears  
I turn a blind eye  
I look away from it  
I don't see it  
I turn a blind eye  
With a blind eye it disappears  
I turn a blind eye  
I don't see it  
I don't feel it  
It's not here

It's not here  
I don't see it
