

# Heavy Lifting

MC5

I'm a man with a massive plan, good drugs at my hand  
And I don't give a goddamn  
Nihilistic, animalistic, just a bad statistic  
Said I didn't matter any way  
Live like I lost it all, punch a hole in the wall  
Gonna kick 'em in the balls  
Soul bangin', hot tang-a-langin'  
I'm a man who's a diggin' a dangerous hole

Crime's gonna pay for all that I'm gifted  
How we gonna do it?  
Heavy lifting  
Take what I want, though the world's resisting  
How we gonna do it?  
Heavy lifting  
Cash on the barrel head, no double fistin'  
How we gonna do it?  
Heavy lifting  
Get what I want 'cause I'm raw and gifted  
Crime is gonna pay  
Heavy lifting

Hear a brutal sound, head, hit it on the ground  
'Cause an evil was a done to me  
I'ma bring it to you, you're gonna feel it too  
Some folks call it liberty  
In the land a the free, cops coppin' a plea  
You'll be looking at me, and I'll be loaded  
Hell broke it all loose below  
Heaven had no place to go

Crime is gonna pay for all that I'm gifted  
How we gonna do it?  
Heavy lifting  
Take what I want, though the world's resisting  
How we gonna do it?  
Heavy lifting  
No repent, God get fatalistic  
How we gonna do it?  
Heavy lifting  
Steal from the rich, all the sons of bitches  
Crime is gonna pay me  
Heavy lifting

Gonna pay me  
Gonna pay  
Gonna pay

Crime is gonna pay for all my sins  
Crime is gonna pay for all  
With no resistance now

How we gonna do it?  
Heavy lifting  
What we gonna call it?  
Heavy lifting  
All eyes balling

Heavy lifting  
Crime is gonna pay  
Heavy lifting  
How we gonna do it?  
Heavy lifting  
What we gonna call it?  
Heavy lifting  
Rome is falling  
Heavy lifting  
Crime is gonna pay me
