Let Me Try

I'll be your singer You'll be my song I'll lay you down softly I'll love you long I'll be there To keep you satisfied If you'll only let me try, hey hey Let me try, hey hey, yeah You've been neglected You've been abused But I'll give you pleasure Deep inside of you I'll always be near Right there by your side If you'll only let me try, hey hey Let me try, hey hey, yeah Let me try, hey hey Let me try, hey hey, yeah I'll play you like music I'll sing you like a song I'll lay you down gentle I'll love you strong I'll dry your teardrops Each time you cry Wrap you in my arms Set you on fire If you'll only let me try, hey hey Let me try, hey hey, yeah I'll be your singer You'll be my song La da da da La da da da La da da da
