

Eve

McAuley Schenker Group

I got my sights on a brand new target
Pretty as a flower
She's got long, long legs
Let me tell you
I aim to hit my target through
Her hair is wild like her body moves
Let me put you in the picture
She does all the right things
Anywhere it seems
She's the new girl in my dreams

Ooh! What does, she does it
Until you can't stop her now!
Can't stop her now!
She does it in a way
Like no other woman

When Eve came along
Woman, found her man to carry on

When God made Woman for Man
This little old devil said
I'll take what I can
'Cause Adam he don't understand
Eve is my woman
This devil is her man

It's a dirty job, but it's a gift from God
I know I can't refuse her
Under his command
I'm in the palm of her hand
As long as she just understands
Ooh! She makes me feel
Like I'm the first lover she ever had
(And that ain't bad)
'Cause when God made man
He knew what he was doin'

When Eve came along
Woman, found her man to carry on

I got my sights
On a brand new target
Pretty as a flower
She's got long, long legs
Let me tell you
I aim to hit my target through

She's a bitch from hell
I know her very well
She put the "E" in evil
But she just can't cope
'Cause she ain't got no hope
When she's up against
This little devil

Oh! When we're together

We make it last forever
And that's a fact
'Cause there's a fire that's burnin'
Inside this little woman

When Eve came along
Woman, found her man to carry on lovin'
The world began
With a woman and a man

Oh! It's a miracle
