

Becky And Jeff Forever

McCafferty

He died at forty-seven years old in his bed
Where he laid for days
Where he laid for ages
She said that things have been hard
The obituary was so dark
It really messed with my heart
I hadn't seen him in years
I hope this pain disappears

I'm so impulsive
I'm so repulsive
I'm so done with us
I can't shake this off
Fall leaves pine trees
Lovely but when I'm angry
It really hurts me it really hurts me
It really hurts me it really hurts me
I'm so impulsive
I'm so repulsive
I'm so done with us
I can't shake this off
Fall leaves pine trees
Lovely but when I'm angry
It really hurts me it really hurts me
It really hurts me it really hurts me

It really hurts me it really hurts me
It really hurts me it really hurts me

High school's the menace and I am the doctor
Get really high and walk by her locker
Say that I'm fine I know that he fucked her
Made up my mind disaster is out there
Anxiety is all I see
It's in my bones it needs to feed
It wants a friend who needs to die
I'll be that girl I'll be that guy
You told your mom you'd get home safe
You broke your phone you know it's late
But young is young and old is old
So fuck 'em all don't do as told

Take me home

I'm so impulsive
I'm so repulsive
I'm so done with us
I can't shake this off
I'm so impulsive
I'm so repulsive
I'm so done with us
I can't shake this off
Fall leaves pine trees (I'm so impulsive)
Lovely but when I'm angry (I'm so repulsive)
It really hurts me it really hurts me (I'm so impulsive)
It really hurts me it really hurts me (I'm so)
