

Go ahead and hit the big time
What's it matter? You know I will just be left behind
In the street's glow
With the red signs from the neon

And the timer keeps on ticking
And my chest keeps on beating
With the rest of the bad boys
Who say I have to go now
And the timer keeps on ticking
And my chest keeps on beating
With the rest of the bad boys
Who say I have to go now

But why can't I just end up happy?
You try so hard, she don't love me
Why can't I just say I'm happy?
She tried so hard, he don't love me
Why can't I just say I'm happy?
He tried so hard, she don't love me
Saying
