

"Hey, I just wanted to tell you I've had that dream again where my teeth fall out of my mouth and form a mosaic on the floor."

Hey, Jeff, can you make time for me? Or just a quick goodbye?  
I hear your quick goodbyes make for a real great time  
The reason that you're lonely's the reason that I'm not  
The reason that you're lonely's the reason that I'm...

Hey, Jeff, can you make time for me? Or just a quick goodbye?  
Remember? My name's Becky, the girl you loved in ninth grade  
The girl you loved in high school, the one you loved in college  
The one you loved in college for all the other
