

## McCafferty vs. TFB

McCafferty

"If my calculations are correct, when this baby hits 88 miles per hour, you're gonna see some serious shit."

And it was us versus them versus everyone  
And that is never what we wanted, we just wanna have fun  
But you hurt me and cut me and left me wide open  
With things that you posted and said here in person  
You made me feel worthless and straight like a loser  
My sweetheart, she told me I wasn't done yet

I won't apologize for anything I said  
They didn't save your life, and neither did your friends  
You don't know anything, we don't owe anything to you  
You really ruined them for me, and now I'll ruin them for you,  
for you

But you're young, and you're dumb  
And your words, they still cut me up  
With the things that you said  
Go ahead, tell your friends  
That the clouds, they are blue  
And his songs, they're for you

You know that  
I am, I am, I am just the mistake  
I am, I am, I am just the disgrace  
We are, we are, we are just the mistake  
We are, we are, we are not the next thing  
I am, I am, I am just the mistake  
I am, I am, I am just the disgrace  
We are, we are, we are just the mistake  
We are, we are, we are not the next thing

Front to the back, to the top, to the bottom  
Steal your songs and say you bought 'em  
You don't like my word flow  
You just leave the cut marks  
Front to the back, to the top, to the bottom  
Steal your songs and say you bought 'em  
You don't like my word flow  
You just leave the cut marks  
You just leave the cut marks  
You just leave the cut marks  
You just want some cut marks
