

## Scotland

McCafferty

King of Scotland save me  
Crucify my cravings  
Underneath the castle grounds  
I will run until I'm found

She said, "It always rains in England here"  
I'm not afraid of dying, dear  
Run with the wolves, but disappear  
Always around, until you appear  
Guesses are tough, they fuck with that good life  
Fuck, such a bitch, fell asleep with a nightlight  
Always around, just always your pet dog  
Never on top, just always your pet dog

Woah-oh, woah-oh, woah-oh, woah-oh  
Woah-oh, oh, woah-oh, woah, woah-oh

Will I, will I? Will I, will I?  
Will I, will I? Will I, will I?  
Will I, will I? Will I, will I?  
Will I, will I? Will I, will I?

King of Scotland save me (Will I, will I? Will I, will I?)  
Crucify my cravings (Will I, will I? Will I, will I?)  
Underneath the castle grounds, (Will I, will I? Will I, will I?)  
I will run until I'm found (Will I, will I? Will I, will I?)

What kinda God lets children die?  
They probably went in her room  
They probably thought she's asleep  
What kinda God lets children die?  
They probably thought that she stayed the same  
But she's not the same, no, no, not the same girl  
Bodies will wander, and eyes will ponder  
I need to know, will I make it?  
I need to know, will I make it?

He said, "grow up, grow up, grow up, grow up" yeah, yeah  
"Grow up, grow up, grow up, grow up" yeah, yeah  
"Grow up, grow up, grow up, grow up" yeah, yeah  
"Grow up, grow up, grow up, grow up" yeah, yeah

"Grow up, grow up, grow up, grow up" yeah, yeah  
"Grow up, grow up, grow up, grow up" yeah, yeah  
"Grow up, grow up, grow up, grow up" yeah, yeah  
Woah oh-oh-oh oh, woah oh-oh-oh oh

And I will stay away  
And I will stay
