

Happiness

Mcfly

Stepping out my front door
Don't know what I left for
Could have stayed in bed with you all day
I'm already calling
Love it when we're talking
I just want your voice inside my brain

I never thought a guy like me would find it
I would repeat it if I could rewind it
I guess the only way I could describe it
It's like hearing a love song and jumping inside it

So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this
So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this

Got me in a bubble
Oblivious to trouble
Right now there's no one else I'd rather be
I'm not saying that I'm perfect
I don't think that I deserve it
I guess it's something in me I don't see

I never thought a guy like me would find it
I would repeat it if I could rewind it
I guess the only way I could describe it
It's like hearing a love song and jumping inside it

So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this
So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this

Na, na-na-na-na, na-na-na-na-na-na-na-na-na-na
Na, na-na-na-na, na-na-na-na-na-na-na-na-na-na

I guess the only way I could describe it
It's like hearing a love song and jumping inside it

So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this
So this is happiness
Yeah, this is happiness
If this is happiness
I don't mind having this

(Na, na-na-na-na) Oh no, no (Na, na-na-na-na)
Oh, I don't mind having this
(Na, na-na-na-na) Oh, oh no, no (Na, na-na-na-na)
I don't mind having this
