

I Want, I Want, I Want

Mcfly

Give me this, give me that
Blow a kiss, take it back
Won't you look inside my brain?
You will find lots of things
Clothes, shoes, diamond rings
Something's driving me insane
You could be pre-occupied
Different thing every night
You just gotta say the word
Their no into you at all
They just want material
I should know because I heard

The girls say
I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want
To be loved by you

I don't want accessories
I've got everything I need
I just want to hold your hand
But I would change the world for you
Turn the skies from green to blue
But you know that I can't stand

The girls say
I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want
To be loved by you

And the girls say
I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want
To be loved by you

Be loved by you
I wanna
I'll stay true
I wanna
If you knew
What you put me through
But you wanna, you want, you want me to love you too

I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want

To be loved by you

Oh, All the girls say
I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want
To be loved by you

I want, I want, I want
But that's crazy
I want, I want, I want
But that's not me
I want, I want, I want
To be loved by you
