

# Ignorance

Mcfly

I'm too far gone it's all over now  
and you can't bring me down...

Love is won over by ignorance  
Do not get won over by ignorance  
These pills weren't meant to hurt you  
But today and ever more if fools were meant to fuck you,  
Then why do fools fall in love

Has blown up your walls again again  
Your lies are all part of your intellect,  
These pills weren't meant to hurt you  
But today and ever more if fools were meant to fuck you.  
Then why do fools fall in love

In the story I was told well this was never mentioned,  
Must have missed the chapter,  
When I was 17 years old,  
And there's nothing left but love

An unfortunate consequence,  
And you'll burn in hell when you fall against,  
These pills weren't meant to hurt you  
But today and ever more if fools were meant to fuck you.  
Then why do fools fall in love

In the story I was told well this was never mentioned,  
Must have missed the chapter,  
when I was 17 years old,  
And there's nothing left but

They wont let go  
when you see her coming  
please let me know  
(4x)

I'm too far gone  
it's all over  
and you can't bring me down.

Don't say your never gonna leave me  
Down..
