

# I'll Be OK

Mcfly

When everything is going wrong  
And things are just a little strange  
It's been so long now  
You've forgotten how to smile.  
And overhead the skies are clear  
But it still seems to rain on you,  
And your only friends all have  
Better things to do.

When your down and lost  
And you need a helping hand  
When your down and lost  
Along the way  
Oh, just tell yourself  
Ah, I'll be OK

Now things are only getting worse  
And you need someone to take the blame  
When your lover's gone  
There's no-one to share the pain  
Your sleeping with the TV on  
And your lying in an empty bed  
All the alcohol in the world  
Could never help me to forget

When your down and lost  
And you need a helping hand  
When your down and lost  
Along the way,  
Just try a little harder  
Try your best to make it  
Through the day,  
Oh just tell yourself  
Ah, I'll be OK

You're not alone (you're not alone)  
You're not alone (you're not alone)  
You're not alone

Just tell yourself  
Ah, I'll be OK  
Oh, just tell yourself  
Ah, I'll be OK  
Won't you tell yourself

When your down and lost  
And you need a helping hand  
When your down and lost  
Along the way,  
Try a little harder  
Try your best to make it  
Through the day

Oh, just tell yourself

Ah, I'll be OK

Ah, I'll be OK

Ah, I'll be OK
