

# Lucky Ones

Mcfly

Checking out of London  
Stripping off at customs  
Funny how they always, check your shoes  
A warmer destination  
Triggers inspiration  
On the way to gate B32  
B32...

We're the lucky ones, this is the life  
When you're nothing more than kids on the run  
And we're still quite young, we are, we are  
Kissed by the sun, I guess, we are the lucky ones

Living out a suitcase  
Always in a good place  
Sleeping on an airplane's not getting old  
It's better when you don't know  
Where you'll be tomorrow  
Chasing the horizon, the sky is gold  
The sky is gold

'Cause we're the lucky ones, this is the life  
When you're nothing more than kids on the run  
And we're still quite young, we are, we are  
Kissed by the sun, I guess, we are the lucky ones

We are, we are, we are  
We are, we are, we are  
We are, we are, we are  
Kissed by the sun, I guess, we are the lucky ones

It's better when you don't know  
Where you'll be tomorrow  
Chasing the horizon, the sky is gold

Oh, 'cause we're the lucky ones, this is the life  
When you're nothing more than kids on the run  
And we're still quite young, we are, we are  
Kissed by the sun, I guess, we are the lucky ones  
Kissed by the sun, I guess, we are the lucky ones
