Air conditioning's stuck on heat.
Emi
I'm tired it's raining,
          C

There's a guest upstairs complaining bout the Groom that's got the TV too lo
ud,
             C
I guess that times like these remind me
       Cmi                          G
That I gotta keep my feet on the ground

Wake up early
Round 7:30
Housekeeper knocking on my door
Do not disturb sign
The back of her mind
I must've left it on the floor
(Yeah)

My eyes are hurting
The cheap nylon curtains
Let the sunlight creep in through from the clouds

Cos at times like these remind me
That I gotta keep my feet on the ground

A        C
Na na na na
         G
Na na na naaaa
A        C
Na na na na
         D
Na na na naaa

             C
I guess that times like these remind me
             A
I guess that times like these remind me
             C
I guess that times like these remind me
       Cmi                          G
That I gotta keep my feet on the ground

Na na na na
Na na na naaa
```

Na na na na
Na na na naaa

Guess that times like these remind
(Times like these remind me)
Guess that times like these remind
(Times like these remind me)
Guess that times like these remind
That I gotta keep my feet on the ground.
