

## Star Boy

McFly

Hey! We're saying thanks to our starboy  
The saviour that they call Chris Moyles  
There's so much that we could say  
On your final show today  
So Moylesy thanks for McFly day  
You're our favourite DJ  
But now it's time  
This is goodbye  
But first we'd like to sayyyyyy

Thank yoooooooooooooooooou

For making us smile every morning

Thank yoooooooooooooooooou

On Radio 1 as we start to rise

Thank yoooooooooooooooooou

Ohhh for waking us up when we're yawning  
Fearne's pretty hot  
But not as hot as Scott  
But nobody compares to...  
Chris Moyles

Hey! There's one man on Earth that would play us  
We must say you've got a great a\*\*s  
So why are you going away  
Well it makes no sense at all

London we've got a problem  
Radio 1 couldn't stopppp him  
We don't know why  
This is goodbye  
Can we persuade you to stayyyyyy

We beg yoooooooooooooooooou

Stay just a little bit longer

We beg yoooooooooooooooooou

Don't leave us now or we'll start to cry

We beg yoooooooooooooooooou

Ohhhh wish you were staying forever  
Grimmy's pretty funny  
Greg's on the money  
But nobody compares to...  
Chris Moyles

Don't go away  
You help the night turn into day  
As we dance on the motorway  
You melt us with your eyes

Now you've stopped eating pieeeeeees

I'm looking up for my starboy  
There's no one better than Chris Moyles  
Before you leave us today  
It's what a million listeners sayyyyy

We'll miss yooooooooooooou

It won't be the same without starboy

We'll miss yooooooooooooou

Going from saviour to superstarr

We'll miss yooooooooooooou

Ohhh the radio's lame without your voice  
Chris I gotta tell ya  
Ya make ma body betta  
I can't get enough of youu

Radio saviour  
Stay forever  
We'll never get enough of...  
Chris Moyles
