Surfer Babe

Mcfly

Well it's quarter to four
We're hanging out at the pizza place
And we've all got our boards
Later on we're gonna catch the waves

Well that's what I said when I left her in bed
With the radio on and the book she read
Let the truth be known

I just wanna date a surfer babe
I hope I'm not a little too late
I never know what you're gonna say
You don't think that you're my type
But you are, but you are, but you are, but you are

You know I just
Don't know how i'm gonna get through
This thing that I've been feeling for
You don't think I know your name
But I do, but I do, but I do
You're a surfer babe

You know it's hard when things
Never seem to wanna go your way
But I go this feeling that it's
Not gonna happen today

You know I've look all around for a girl in L.A.
And you're the prettiest face that has walked my way
Since I met you girl

I just wanna date a surfer babe
I hope I'm not a little too late
I never know what you're gonna say
You don't think that you're my type
But you are, but you are, but you are, but you are

You know I just
Don't know how I'm gonna get through
This thing that I've been feeling for
You don't think I know your name
But I do, but I do, but I do
You're a surfer babe

And I've been waiting for a girl like you
Anticipating how to make my move
Coz there is nothing, I would rather do than
Catch the waves with you

I wanna a surfer babe
I hope I'm not a little too late
I never know what you're gonna say
You don't think that you're my type
But you are, but you are, but you are, but you are
But you are, but you are, but you are,

But you are a babe

I hope I’m not a little too late
I never know what you’re gonna say
You don’t think that you’re my type
But you are, but you are, but you are, but you are

You know I just
Don’t know how i’m gonna get through
This thing that I’ve been feeling for
You don’t think I know your name
But I do, but I do, but I do
You’re a surfer babe
