

## Be Average To Eachother

mclusky

No shit!  
Jimmy's got a mustache  
And a place in our hearts  
And a place in our scrapbooks

My God!  
He's got the bailiffs trapped  
On the lower staircase  
Next to the kitchen

So be average to each other  
Take no one else for granted  
But don't you break your back for me

No shit!  
Jimmy is a sly one  
He's got a modest six bucks  
And a place in history

Watch out  
Everyone's exploding!  
With a realization  
This could go further

So be average to each other  
Take no one else for granted  
But don't you break your back for me  
But don't you break your back for me

Jimmy's got a mustache  
And a place in our hearts  
And a place in our scrapbooks  
And a place in our scrapbooks  
And a place in our scrapbooks  
And a place in our scrapbooks  
Oh, and one two  
Yeah, yeah, mmm, comin on ya  
One of those days they're gonna hit you so hard  
You're gonna bleed from the face you don't even know
