

Without Msg I Am Nothing

mclusky

Get carter to the phone
Don't teach him how to cook
That'd kill him
Without it she is great
A little underweight
But still appealing
Everywhere I look is a darkness
Every where I look is a darkness
I get my MSG
From digital TV
Good consumer
You are the only one
Who has no trousers on
Good audition!
Everywhere I look is a darkness
Everywhere I look is a darkness
My my my my my my my MY!

Get carter to the phone
Don't teach him how to cook
That'd kill him
Without it she is great
A little underweight
But still appealing
Everywhere I look is a darkness
Every where I look is a darkness
