

Born To Die

MDC

I'm born to die
I'm born to fry
My life in a cage
Show my outrage
I'm misunderstood
I did what I could
I made my try
I was born to die

Goin' home
My mind is blown
I spilled my race
I found my case
I'm shot down on a fence
I'm dead in self defense
I live in a world of hate
With no regret a Nazi state
A racist dream, a world of hate
With no regret a Nazi state

No war
No KKK
No fascist U.S.A.
