

Nowhere to Go

MDC

Trouble ahead trouble behind
Out of control out of time
Looks like we're floating
We're losing ground
Nowhere to go
Nowhere but down
Had a few bruises so good so far
We're being told it's gone too far
New set of bad days some dumb lines
Don't bother asking they think we're blind

Trouble ahead trouble behind
Out of control out of time
Looks like we're floating
We're losing ground
Nowhere to go
Nowhere but down

Same old shit brand new packages
Not much that we can do about it
Sinking fast it won't last
Last lesson from the past

The fools are gloating
Truth is unfound
Nothing to sow for
Destruction bound
Looks like we're floating
We're losing ground
Nowhere to go
Nowhere but down

No magic wands
The cauldron's dry
We're out of wishes
Don't even try
Looks like we're floating
We're losing ground
Nowhere to go
Nowhere but down
