

# Hydro-electric

MDFMK

Float flushed, flowing like a river  
Try to suffer this calamity  
Drift swim, hover and decide  
You requested my humanity

It's a complex state  
Another dimension  
Blind like a saint  
To the other side

Couldn't be awoken  
To a hurricane  
Crush away  
Feels like I could flat line

Devil fluorescence? is all I remember  
Succumb, I surrender to this  
Here to eternity, not a reality  
Only the cost of insanity  
Bombastic vibe

I thrive on this disease  
Liquify sub-zero freeze

Initiate to terminate  
It's you that moves the hydro-electric  
Guide me down  
You dominate me

Invite the noose  
And violate  
Intoxicate hydro-electric  
You, you, you dominate me

It's the ebb and flow  
The total connection  
A trickle of rain  
Shrouding the dirt

Coring me  
Waken to a hurricane  
Watery grave  
Cry Adriatic shelter

Broke reflection on the service of never  
Repent here forever and back  
Total viscosity into fluidity  
Only impulsive meditate  
Bombastic vibe

I thrive on this disease  
Liquify sub-zero freeze

Initiate to terminate  
It's you that moves the hydro-electric  
Guide me down  
You dominate me

Hydro-electric

Invite the noose  
And violate  
Intoxicate hydro-electric  
You, you, you dominate me  
Hydro-electric

Dominate me  
Dominate me

I thrive on this disease  
Liquify sub-zero freeze

Initiate to terminate  
It's you that moves the hydro-electric  
Guide me down  
You dominate me  
Hydro-electric

Invite the noose  
And violate  
Intoxicate hydro-electric  
You, you, you dominate me

Hydro-electric  
Dominate me  
It's you that moves the hydro-electric  
Hydro-electric  
You dominate me
