MDFMK

System breakdown imminent  
Nature's gone belligerent  
Pilot error pre-programmed  
Oh that human element

Driven by testosterone  
Adrenaline and pheromone  
Crowning glory of creation  
Super-human incarnation

Failure is man's fate  
A blacklist of mistakes  
Nothing's what it seems  
Blown to smithereens

Commandeer own your fear  
Associate and integrate  
A rabblrouser in your face  
A proclamation of defense  
The outrage of the innocent  
Unyielding to the consequence  
A rabblrouser 'til the end

Fight  
Rabblrouser  
Fight

Determined 'til the end  
Ruthlessly and violent  
Ruler of the earth  
Subordinate the universe

Commandeer own your fear  
Associate and integrate  
A rabblrouser in your face  
A proclamation of defense  
The outrage of the innocent  
Unyielding to the consequence  
A rabblrouser 'til the end

Fight

Pilot error pre-programmed  
Oh that human element

Living out the big illusion  
Evolution revolution  
Time and time and time again  
Life is short and God is man
