

## Cashing Cheques

Me vs Hero

There's something going down in here  
Looks like there will be a tragedy of two  
You wont recognize your face when I'm through with you  
Took a lot to get me here and it will take a lot to change  
What makes you think that you've got what it takes

Your situation is changing now  
Looks like your going down and out

We dedicate this song  
To all the places we've come from  
Although we never know where we're going

So save your breath  
Go ahead and take your time with it  
Should have watched what you said  
But you ran your mouth  
You better know your good as dead

Your situation is changing now  
Looks like you're going down  
(that's right you're going down)  
Your situation is changing now  
You don't mean anything  
(you don't mean anything)

We dedicate this song  
To all the places we've come from  
Although we never know where we're going

So take us down  
To where the players play it  
This story goes on with life

We dedicate this song  
To all the places we've come from  
Although we never know where we're going
