

Appetite

Meadowlark

Lost your appetite, wasting all my light
Hello, hello, hello
We were dynamite, blazing overnight
Hello, hello, hello
Hello, hello, hello

How did I not know you were drinking?
All of my friends said you were sinking low, low
Over me, over your lover
Under the sheets, under another, oh, oh

But I don't want your love
I don't need your love now
Oh, I don't want your love
I don't need your love now, now

You're a parasite, always out at night
Hello, hello, hello
But you'll never find what you're looking for
We'll never reunite
We'll never be the same
Don't say hello, hello, hello

So, who's on your mind?
What were you thinking?
Was it a kiss? What were you drinking there?
You're over me, over your lover
Under the sheets, under another, oh, oh

But I don't want your love
I don't need your love now
Oh, I don't want your love
I don't need your love now, now

I don't want your love
I don't need your love
I don't want your love

I don't want your love
I don't need your love
I don't want your love

I don't want it, I don't want it, I don't want it

I don't want your love
I don't need your love
I don't want your love
