

Get Up

Meadowlark

Today your fears
Came down like rain so clear
How did I not see your fears were taken home?
I'm hoping
That you'll let me come in
And take this weight off of your bones
You're not alone

Get up, get up, get up
You see now
'Cause the sun is up and out
Get up, get up, get up
Get up, get up, get up
You're free now
No one can hold you down
Get up, get up, get up

You hide away
A troubled yesterday
But don't you throw away your smile 'cause I am here
Come on down
We'll figure this one out
And when you're down and out
I'll tell you this my dear

Get up, get up, get up
You see now
'Cause the sun is up and out
Get up, get up, get up
Get up, get up, get up
You're free now
No one can hold you down
Get up, get up, get up

I promise you
I'll be with you for life
I'll stay right here all night
And whatever comes
I'll take it in my stride
I'll be with you for life

Get up, get up, get up
You see now
'Cause the sun is up and out
Get up, get up, get up
Get up, get up, get up
You're free now
No one can hold you down
Get up, get up, get up
