

Goodbye

Meadowlark

It was raining leaves when I said goodbye
The universe, it prized you from my hands
'Cause when somebody leaves and you don't know why
Spend all your days living in little lies

I was convinced you'd come back
Tell me that you miss me
But then again I always was a fool for you
And I was convinced you'd fall back
On our history
God got me saying 'finally, finally'

Bye bye, goodbye
Bye bye, goodbye
Bye bye, goodbye
Bye bye, goodbye

South of the river
Thought it was me you'd choose
But that next winter
I left with King Street blues

And I was convinced you'd come back
Tell me that you miss me
But then again I always was a fool for you
And I was convinced you'd fall back
On our history
God got me saying 'finally, finally'

Bye bye, goodbye
Bye bye, goodbye
Bye bye, goodbye (to my favourite lie)
Bye bye, goodbye

Time, time, this time
It changed my life
And it changed my mind

Bye bye, goodbye...
