

Lose It All (Interlude)

Meadowlark

You're never gonna soar
If you're never gonna fall
If you're never gonna fall
You're never gonna soar
If you're never gonna fall

You gotta lose it all
You gotta lose it all

You're never gonna soar
If you're never gonna fall
If you're never gonna fall
You're never gonna soar
If you're never gonna fall

You gotta lose it all
You gotta lose it all
