

5 More Minutes

Meaghan Smith

I'm not tired in the least
5 more minutes please
The sun hasn't set
It's painting the west
Picture pretty

Hints of lilac light
But not a star in sight
Last call for kick the can
Please just once again
Before I come inside

Don't want to go to bed
Don't want to close my eyes
Don't want to rest my head
And end this summer night

Don't want to go to bed
And end this summer night

Fireflys glow for us
The cricket's orchestra
The night is awake
Please don't make me
Go to sleep
I'm not tired in the least
5 more minutes please
I'm not tired in the least
5 more minutes please
