

Breakable

Meaghan Smith

I've been keeping this thing under lock and key,
in my rib cage where no one can see,
hidden away, trying to keep it safe,
waiting for someone pure and true.
Enter you and i'm blown away,
by all the music dancing through my veins
and my rib cage can no longer contain,
it may be mine but it belongs to you.
Baby it's wonderful, it's undeniable, it's unmistakable,
but so you know, you know, you know, it's breakable.
Like it was tailored and made, it fits you perfectly,
it's the puzzle piece and those spaces between,
fingers and mine were always meant to be,
'cause when i give, i give for keeps.
Baby it's wonderful, it's undeniable, it's unmistakable,
but so you know, you know, you know, it's breakable.
Oh how sweet is this for me,
how did you know that it's just what i was wishing for?
Baby it's wonderful, it's undeniable, it's unmistakable,
because i know, i know, i know.
Baby it's wonderful, it's undeniable,
it's unmistakable, because we know, we know, we know, it's
breakable.
It's breakable, it's breakable, it's breakable.
