## Meat Puppets

We're all in the gutter  
But I'm looking the rats  
And when I'm hungry  
I don't fuck around

And I'm not afraid to strew around my scraps  
Here's a rat carcass for your front lawn  
Your personal possessions I don't give a darn  
Maybe you can keep it to keep warm

Don't blame me for what goes out my window  
I know it was out there in the first place  
And besides, I did it for our own good
