

## Split Myself In Two

Meat Puppets

The man laid his hat on the table  
Hung his coat up on the wall  
Sat down to dinner said as soon as I am able  
I'll say something nice to you all

Then he took a deck from his pocket  
Spread 'em so I saw 'em all  
Then he turned his back to me shuffled 'em and drew me  
The card that said I never would fall

Oh Mary Lou won't you tell me what to do  
I got a dollar on the corner and a laser in my shoe  
If I don't get an answer gonna split myself in two

He spun 'till a ton was glistening  
Turned to me and gave me a smile  
He said I'm leaving now but I want what you owe me  
I'll be back in a little while

That was the last time I saw him  
Hope I never see him again  
I know it sounds funny but I owe him some money  
And I really don't want him for a friend

Oh Mary Lou won't you tell me what to do  
I got a dollar on the corner and a laser in my shoe  
If I don't get an answer gonna split myself in two
