The Mighty Zero

Meat Puppets

Four sides of curves You call it round It's saying nothing Doesn't make a sound

Doesn't lift a finger
But it's working all the time
Got to know it well
'Cause it's always on my mind

Always on my mind Hidden between the lines The unsung hero Taking the time to find

The mighty zero
It's just a number
You can count it on your hand
But I still don't seem to get it

There's nothing to understand To understand Woke up this morning Pulled on my shoes

Nothin's goin' on
But I got no time to lose
Can't seem to see it
Don't seem to care

How you supposed to taste it There's nothing there There's nothing there Nothing there at all

The invisible hero
But you can write it on the wall
The mighty zero
It's just a number

You can count it on your hand I still don't seem to get it There's nothing to understand To understand

Nothing there to show
No big deal no
How would you like to know
The mighty zero
