

Betta high

Medial banana

Not a smuggling dope ooo
Mugglin oooooou noooo
Live up ya soul yo
And let ya mind blow

Nah talk about coke no
dont touch dat drug bro
But police ago wild yo
Fi di plant dat need to grow

So cut it up and roll it up
Light it up and feel dat
Free it up dont lock it up
So stop it up bomboclat

Fight fi dat, grow it up,
Live it up, haffi love dat
Speak it up, dont trust dem dat
Weed is bad bomboclat

Is what I need to show
Better being high then low
In touch with inner soul
In touch with inner flow

Love being high yo
Higher dan a sky
A dondada style noo
meditate fi while
