Brnemenem brnemenem brn brnenemenem
More power to the machine and play dat again

Gimmi di microphone
And let me answer da thing
Whagwaan what dem a do
Fi di chain and ring
Whaagwaan what dem a do
What caliber dem bring
Meks me feeling vex
Dem ago stop fi nothing

Gimmi di microphone
and let me answer da thing
Whaa dema do
Dem a coke smuggling
Whaa dem do
Fi di weapons trafficking
We haffi mek we flex
We haffi step in

Cause dem flex real hard
Like ukraine mousstard
And Dem do no joking
Dem do no provoking
Maffia and coke thing
Dondada and guns thing
Dem cyan be feeling humble
While dem ago be rumbling
Ram pam papapam pam pam pam
But every dondada don don don
Die by gun or anada some
Tool of destruction

When i get manamanamicrophone
I bunabunabun dem all
Not a dondana a honest man
So live up ya soul

Cannacannabis must grow
Educate ya soul
Man haffi bun a fayah
So check da wicked flow

Like a seed planted by a river
So natural so we got to deliver
Play dat sweet sweet reggae melody
Life is a gift and not a tragedy

Trying to find di root of happiness
Not a false golden fruits of meaningless
Cause di meaning dat will set us free
Is written inna di soul of every being.

Proper education nah anada liar
Righteous ruler strong as a lion
Firm like statue hot like a faya
Legalize da wisdom and legalize da kaya
