Jah Souldiers nah easy, dem nah play
Mi nah rap up, mi nah skin up no day

ref:
Rockin' it from Jamdown to Slovakia
Come around it's a love we chant
It's like we inna we own backyard

Move outta di way, Rasta youths dem keep rockin' it
Outta Jamaica di Reggae music clappin' it
dem nuh got no face, no limit, no border, no stoppin' it
Inna dem system bare clappin' it

Di Rasta youths dem rise and so dem come floppin' it
Word, sound and power it ah beat dem like a whip
Come speak the truth, come confess, come admit
Rastafari dem ah di highest

And that's why
We have to do the right in the most high sight
Let the love ignite, this a rubadub session tonight
Sidung pon top ah di riddim, Most high is everlivin'
Man ah lion, man ah no puss,
Man ah no dog, man ah no pigeon
Ital stew deh inna my kitchen
Brain food is neva missin', So listen
Make sure Mother Earth yuh neva dissin' bwoy

Rockin it from Jamdown to Slovakia, come around it's a love we chant, it's like we inna we home backyard."

Rockin' di riddim, mi & mi bredrin and it feels so nice

Just let me roll with the flow like i know
With the wind in my back to the future i grow
