

## 99 Corolla

Medium Build

I thought ripping donuts  
In my 99 corolla  
Would empty out the sadness from your head  
I made stronger coffee  
I kissed on you softly  
But nothing seems to wake you from the dead

Jackie, I'm trying  
To forget about the things we said  
But you're teaching me new ways to feel so sad  
Jackie, I'm crying  
I didn't know that I could hurt so bad  
Jackie, I'm lying if I said I didn't want you back

You kept having reasons  
To stay up watching seasons  
And I stayed putting liquor in the fridge  
Guess we had it coming  
For always up and running  
But I thought you'd be the last place that I hid

Jackie, I'm trying  
To forget about the things we said  
But you're teaching me new ways to feel so sad  
Jackie, I'm crying  
I didn't know that I could hurt so bad  
Jackie, I'm lying if I said I didn't want you back
