

Pink/Blue

Medium Build

The sweat was beading on my back
I was tightening up my tie
You told me to pick you up
At the edge of the night
Now we're flying through the city
And your touch is on my tongue
Forget every other lover
You could be the one

Thought I just came here to dance
Now I'm cascading in to you
Black light mixed with neon
Pink turns into blue

They're about to flip the house lights
Looks like this club is slowing down
Take the party to my place
You be the d.j. now
You got me doing things
I've never done in my life
I ain't talking bout love
I just wanna know what you taste like

Thought I just came here to dance
Now I'm cascading in to you
Black light mixed with neon
Pink turns into blue

Oh, baby

Thought I just came here to dance
Now I'm cascading in to you
Black light mixed with neon
Pink turns into blue

Oh, baby
