

# Rabbit

Medium Build

I got a lover with an appetite  
Says we were married in a past life  
But in this life I was late to the party  
So we pretend every once in a while

Up on the hill near flat top  
She killed a rabbit with a heavy rock  
Little thing got clipped by a truck  
So my baby went and sent it to Jesus

And most days I feel like that rabbit  
Waiting for something to happen  
Waiting for a beautiful human  
To crush me and send me away  
And most days I feel like that rabbit  
Waiting for something to happen  
Waiting for a beautiful human  
To crush me and send me away  
Send me away

I got a shoulder with a big chip  
My dad was always tryna get rich  
Maybe he used to be an alchemist  
But in this life he just pays rent

Outside Atlanta when I was young  
Dad drove an 87 rabbit home  
Little thing got crushed by a truck  
I should have known that it was just bad luck

And most days I feel like that rabbit  
Waiting for something to happen  
Waiting for a beautiful human  
To crush me and send me away  
And most days I feel like that rabbit  
Waiting for something to happen  
Waiting for a beautiful human  
To crush me and send me away  
Send me away  
Send me away  
Send me away  
Crush me and send me away  
Send me away
