

# Rage

Medium Build

Kiss my face  
I've spent so long tryna be tough  
Say my name  
Say my real name  
Hold my hand  
Tell me everything is gonna be good  
Pull me in close  
Squeeze me in your arms

I've got this rage  
This rage inside of me  
I've got this rage  
This rage inside of me

Take me back  
Tired of tryna do it on my own  
By your side  
That's where I'm gonna stay  
Can I come  
With you wherever you go  
Call me out  
Please don't give up on me now

I've got this rage  
This rage inside of me  
I've got this rage  
This rage inside of me

Buried deep  
In my chest  
I have things  
I regret  
I get scared  
I get mean  
Please don't take your love from me

Don't know how  
I found you  
When you die  
Better bring me too  
All I have  
Is THIS love  
I can't ever get enough

I've got this rage rage  
I've got this rage inside of me  
I've got this rage rage  
I've got this rage inside of me
