

White Male Privilege

Medium Build

I been living off of handouts
I been handed life advice
Be a good hang, a decent guy and shit should workout for you mostly
I been drinking until I black out
There's only me at night
Someone who grabs the wheel of life and then drives home drunkenly

I don't know where I went wrong
I don't know where I went wrong
But it's too late to figure it out now so I guess I'll be alone

I been sleeping with a woman
Says I'm too much like her dad
Too in love with my own head
The product of white male privilege
Ain't been looking where I'm going
My face has been glued to my phone
All this information needs a home
Babe I'll be to bed in a minute

I don't know where I went wrong
I don't know where I went wrong
But it's too late to figure it out now so I guess I'll be alone

I know they told you plans
And I don't want to mess them up again
So I'll buy a house and I'll move in
And I'll have sex and still have kids
And get a job and work real hard
And we'll rope lights in the backyard
Buy a mini van drive across state
Buy another house out on a lake
And everything will be just fine
And said oh my God, we'll be alright
Said oh my God, we'll be just fine
Said oh my God -

I don't know where I went wrong
I don't know where I went wrong
But it's too late to figure it out now so I guess I'll be alone
