Do you want to come over tonight?  
Do you want to get high?  
We could lay around in the TV light  
Do you want to come over tonight?

Do you wanna talk about it tonight?  
Do you wanna get right?  
We ain't gotta talk about it, babe, if you don't want  
Do you wanna sleep on it tonight?

I was jealous  
I was scared  
I was angry  
Never there  
I was lonely  
I was short  
I was human  
I was yours
