Meduza

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
I'm under pressure

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

Oh, oh, oh, oh  
Oh, oh, oh, oh

Lost in the headlights  
Tryna find somewhere safe to be  
Can't get my head right  
I'm my own brain's enemy

Unknown vein, I'm  
Running on empty, cannot sleep  
I'm under pressure  
Putting me under pressure, oh

Lost in the headlights  
Tryna find somewhere safe to be  
Can't get my head right  
I'm my own brain's enemy

Unknown vein, I'm  
Running on empty, cannot sleep  
Just tryna get by  
Finding myself a remedy

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh

I'm under pressure  
Putting me under pressure, oh  
I'm under pressure  
Putting me under pressure, oh
