

# Conga

Meek Mill

Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga

Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat  
Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat

Now we feelin' wavy  
Chillin' somewhere in the tropics with my ladies  
'Bout to tell my Boi-1da  
We gon' need some more of that conga, 'cause I...  
Feel him lookin' at me  
And my girls, we fly as can be  
Drippin' in sensuality  
Two stepping 'til eventually

He said, he said, "muévete un poquito"  
I said "tráeme otro mojito"  
Now me and you, we got the cheat code  
And we got Bacardi, it's a party, everybody move ya body now

Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat  
Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat (Yeah)

Lamborghini Urus, scraping all on the tours  
Mix Amiri with Dior and we used to be the poorest  
Now it's million dollars worth of jewelry, no insurance  
Flew my ... 'cross the border just to pick up some new water  
I'm like, get what you want, pick what you want, this a black card  
I'm in the 'Bach but in the front getting waxed off  
Rollin' the pack, smoking on Runtz, 'bout to blast off  
Flow so cold, need a mask on  
Brand new Patek, got the brand new baguettes  
I'm surprised they ain't panicking yet  
Hundred K flight just to land on the jet  
We flew out just to ran through the check

He said, "muévete un poquito"  
I said "tráeme otro mojito"  
Now me and you, we got the cheat code  
And we got Bacardi, it's a party, everybody move ya body now

Come on, shake your body, baby, do that conga  
Know you can't control yourself any longer

Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat

Know you can't control yourself any longer

Everybody gather 'round now, let your body feel the heat  
Don't you worry if you can't dance, let the music move your feet  
It's the rhythm of the island and like sugarcane so sweet  
If you wanna do the conga, you've got to listen to the beat

I got shorty with me making plans on the jet  
Couple more sips on my lips and we set, baby  
Get what you want, pick what you want  
Say less, do more, get your body on the dance floor  
I got shorty with me making plans on the jet  
Couple more sips on my lips and we set, baby  
Get what you want, pick what you want  
Say less, do more, get your body on the dance floor
