

Don't Give Up On Me

Meek Mill

Hold me down through the night
We could make it out alive
I know the road seems scary
And I see ya visions gettin' blurry
But please don't give up on me
Please don't give up on me
Only me here on my knees
Please don't give up on me (Ooh)
Please don't give up on me
I know this life can get crazy
But please don't switch up on me

If you riding with me, ride until we crash out
I need your loyalty 'cause I see love the red now
If we get blocked on the road, let's find a different route
I'm too deep into this shit, I cannot walk out
And you know I'd do the same for you
You know I would put my life on the line for you
I did some— for you
I did some shit I can't say for you
When you needed fixing, I bought you some screws
When you was at your lowest, tell me who was there for you
When my back's against the wall, this what I need you to do

Hold me down through the night
We could make it out alive
I know the road seems scary
And I see ya visions gettin' blurry
But please don't give up on me
Please don't give up on me
Only me here on my knees
Please don't give up on me (Ooh)
Please don't give up on me
I know this life can get crazy
But please don't switch up on me

Lot of people changed up, I'm happy that I saved up
Yeah
Five million cash, won't need nobody to save us (Nobody), we don't
All this money and this fame can't even phase us
Slappin' hoes, put it on my bro, she think she playin' us
Lot of folks wanna see me fall, I think I'm stayin' up
Hold me down, through the night, we done made it out alive
Shit, I did drills with me and [?], if he go left, I go right
A lot of girls that made me learn how I'm trusted for life, damn
Please don't give up on me
Smokin' at the bank, I got this Glick up on me
When in codeine, niggas horny, try and get up on me (How you feel?)
I need a switchy on me, I need a switchy on me
This black AP, four-fifty on me
Shit get crazy, see these niggas ain't your homies
If you wanna ride for me, slide for me
I got bad bitches that'd die for me
Real niggas that's in prison stayin' alive through me
And my homie had bit my back, what's the surprise to me
'Cause me and him go way back, he was on trial with me
And the only thing that's whack, he ain't been around to see (Damn)

That I got love for him if there's love for me

Please don't give up on me
Please don't give up on me
I know this life can get crazy
Please don't give up on me
Please don't give up on me
I know this life can get crazy
But please don't switch up on me
No, no, no, no
Please don't give up on me
I know this life can get crazy
Please don't give up on me
Oh, no, no, no
Please don't give up on me
I know this life can get crazy
Please don't give up on me
Nah, nah, nah, nah, nah
Please don't give up on me
Tell me right now, is you with me?
Please don't give up on me
Oh, oh, oh
Give up on me
Please don't give up on me
I know this life can get crazy
Please don't give up on me
