Meek Mill

I know you miss me  
Who it's gon' be if it ain't me, lil' baby?  
I'm in your city  
'Cause I need it one more time  
Might lose it all, I swear  
I need it tonight, ooh, ah

Ayy, bust down shawty  
Feel like Sosa, fell in love with a thotty  
I forgot your name, it's tatted on your body  
Pull up in a [?] if you in the lobby  
'Cause I know that these bitches be for everybody  
So why stay?  
If I'ma pick a ho, I pick my favorite one  
As long as she just know she not the only one  
Oh, babe  
[?] all along that you know you the only one  
Word to lil' miss that we don't condone no simp shit  
I try my best not to be on some simp shit  
Oh, babe

I know you miss me  
Who it's gon' be if it ain't me, lil' baby?  
I'm in your city  
'Cause I need it one more time  
Might lose it all, I swear  
I need it tonight, ooh, ah

Uh, I know she be missin' me  
I still think 'bout you kissin' me  
Shit, all them niggas you fuck with put together still ain't rich as me (Facts)  
Here, I put a Rollie on  
I be on that Tiffany  
Ain't trippin' 'bout no ho, but the niggas you know be fuckin' be offendin' me  
I asked my bro about you, he said, "Yeah, but it was [?]"  
Last time I thought about you, I'm like, "Yeah, it hit differently"  
But, I got way too many options  
This bitch here like good energy  
And, I'm really, really poppin', that Bottega come with amenities  
Yeah, suck it on me, don't bring up no niggas in the industry  
Unless you talkin' 'bout yo' history  
Yeah, I think she go both ways like Dej Loaf  
I fuck you good, just me, you, and some Hennessy  
When you in my city, they be thinkin' that you with me  
Might as well bring it to me since they thinkin' that you guilty  
I'm thinkin' fly you way out to the trenches, do you filthy  
Fuckin' you to "California Breeze" how it's feelin'

I know you miss me  
Who it's gon' be if it ain't me, lil' baby?  
I'm in your city  
'Cause I need it one more time  
Might lose it all, I swear  
I need it tonight, ooh, ah
