I tell em meet me in the bathroom I fuck her while the water runnin Her friend knockin at the door And she screamin out I'm cummin I tell em meet me in the bathroom I fuck her while the water runnin Her friend knockin at the door And she screamin

House party, I'm a play the DJ Martin Lawrence You know I'm always survivor man Those guys... Kid and Play

I tell em meet me in the bathroom I fuck her while the water runnin Her friend knockin at the door And she screamin out I'm cummin And my youngin in my other room, fuckin up my sheets She tell em boy don't grab my hair because you're fuckin up my weave I got a hundred bottles Ciroc boy All my jewelry cold as fuck but I'm a hot boy All these stones in my chain make me a rock boy And I heard you niggas talking money you should stop boy I fuck bitches by the group I get money by the pound ... on all these niggas ch-ch-ch-ch-chop em down Every time I'm in the club these niggas is not around Everybody talking money I say prove it not a sound White girls gone wild We don't judge em though, they ain't on trial Bad bitches got em on dial It's bottoms up but is going down

Welcome to my house party party Welcome to my house party party Welcome to my house party party Welcome to my house party party

Ciroc all on my table bitches in the living room
They gon ask who at the door, tryna get in too
Only me and my niggas, tell her bring a friend or two
Bottles poppin models watching all in my living room

Welcome to my house party party Welcome to my house party party Welcome to my house party party Welcome to my house party party

Meet us at the bunny ranch, you know where the honeys camp Meek Milly, Young Chris, you know why them honeys amped Gotta be a natural born star, Doin shit that money can't Daddy day care home, Why you think your honey ain't Who you think she stay with, This that Kid and Play shit You're main chick got our night job, You can get a day shift I'm a hit her from the back, Meek get her face shit He ain't wanna sway up in this motherfucker, hey bitch Hey bitch hey ho, yea we on that lay low And they all simon says, she do what I say so

Got the whole house packed, you can get your spouse back When we done partyin, where the mally at that loud pack Haters can't tell us shit Don't knock me, tell your bitch House party poppin on that Martin shit we're yelling switch Cold bottles, cold magnums, gold bottles
We spitting on each other pussy and them hoes swallow

Ciroc all on my table bitches in the living room
They gon ask who at the door, tryna get in too
Only me and my niggas, tell her bring a friend or two
Bottles poppin models watching all in my living room

ATL new will ville
Tryna to show em how my nigga louis will feel
Thursday call it meek mill ville
You got a car ride in a Benz man it's the real deal
We in the movie room, we ain't watching movies though
Lights camera action, we gon make a movie ho
She lookin all at my wrist, she love the way this music blow
Pack house is hot as shit, she tell me that I'm cooler though
Cooler than a fan, fresh like it's Easter
Homie I don't even want your bitch, you can keep her
She say I ain't hit that, only you believe her
Pull off in the Lambo I'm like hasta la vista

Ciroc all on my table bitches in the living room
They gon ask who at the door, tryna get in too
Only me and my niggas, tell her bring a friend or two
Bottles poppin models watching all in my living room
