Meek Mill

Man I've been trapping all day

You know I'm 'bout my paper no lie
They say they need that work we get it to them no time

I'm 'bout mine drought time trying to stash cake
Cause niggas Dave Chappelle with work they selling half baked
Drop it in the pot you lose mad weight
A nigga sell me that we set his ass straight

Show up to his crib in the a.m. and get murdered
