

# Whatever I Want

Meek Mill

Meek Milly

Jump right back in that mode shorty sady she lookin so pretty  
She give me that wiggy in the back of the rolls  
Aye aye feel like I'm cracking the code  
Niggas ain't with me they must be against me I'm telling my  
My hittas to snatch they soul  
North side niggas know that I'm t'd, niggas talk that shit when I leave  
I came Glock ten with a drum if niggas want smoke I'll turn habib  
If shorty don't go I'll leave to fast for the hoe high speed  
On the gram do a post for the pic if you put on that shit  
And you having this cheeeese

Give me a shot and get another one  
Give me a Thot and give my brother one  
I make it hot soon as the summer come  
I make it hot hot hot, I'm at the top I am not one of them  
I got a Glock, came with a drum in em switch with the box  
Niggas can't run from them man it go Fa Fa Fa

What is he on whatever he want  
What is he doin whatever he want  
Take her right 2 the store get whatever you want  
Aye I can go to my hood whenever I want  
Niggas say I ain't good P P got one  
All things getting stood whenever I want  
Whenever I want yea

She want stand on business  
I'm about to boost this lil bitch stock get caught  
On cameras wit us, pull up and fuck these niggas block up got Maybach Phanto  
ms  
With us  
Play and we fucking these niggas block up got ladders, hammers with us  
Bottega I'm puttin it on I might mix it with Ricky I'm drawn  
I might kiss her I really get litty, I'm eating her pussy I dip it in raw  
I'm so drippy you might need a straw, I'm like jimmy no really I ball  
I'm from Philly I hang out with killers I be in the hood all the wolves and  
the dogs  
Hoo! Shawty a dog Hoo! and I'm a dog too, one in the head and I'm keeping my  
finger  
On the trigger like R2, niggas say he want me dead burnin his head  
Aw shoot  
Shit like golden state everybody winnin we all shoot

And I like Christian Dior bitch why you not look at me for  
Your best friend watching is pissin me off  
She usually fuck when I get in the door  
See a opp and I'm clickin it more, see me on tv it's tickin them off  
My hand on her head and my dick in her jaws  
She fuckin her homies to get to the source  
I remember them trips to them sides  
I reminisce when I'm hittin the Zaa  
When they say my name I be getting surprised  
He look at me wrong get hit in his eyes  
That's some shit that I wouldn't advise  
You a driller then get in this ride  
Free all my all my niggas, I'm missing the guys

I pop me a perky to get in the vibes

I remember goin on invasions in the crib give me all your savings  
Get a million views is motivation, we was goin viral from the basement  
Now it's forty thousand for a placement and I'm rich off my reputation  
Praying to god so I know that I would make it  
But I was committing sins while I was waiting  
And I get head when I want, and I get bread when I want  
Hundred thousand that's a regular month  
I only love her when I'm ready to nut  
That's when I'm ready to nut, she get whatever she want  
I get whatever I want, I get whatever I want, I get whatever I want  
I get whatever I want, I get whatever I want, and that's when I'm ready to n  
ut  
I get whatever I want, I get whatever I want, I get whatever I want
