

You Know

Meek Mill

You know baby, somethin' 'bout you lately
You know, you know, you (one time) never seize to amaze me

And you know, and you know
He don't be fuckin' you like I be fuckin' you
He wanna hug you and make you uncomfortable
You know, shawty, you know
All you gotta do is hit a nigga phone one time
I'm a pull up on you fourth quarter when it's crunch time
You know

When I pull up to the crib (pull up, pull up)
Hurry up and get dressed (what's up, what's up)
Spend a couple hours on your makeup
Twenty minutes I done made that to a mess
And you know like I know
I was your side nigga, you was my side hoe
He broke you in, I'm the one broke you out though
'Cause you got that D and you turned into El Chapo
Run from that nigga if he drive by your house though
This that Givenchy, that new Saint Laurent flow
This that go cash out that G65 flow
I like you, you hit the lotto
I put you on to the Perc and Moscato
I put you on to fuckin' in Cabo
Said we would only fuck once and would stop though
You know that's a lie though

And you know, and you know
He don't be fuckin' you like I be fuckin' you
He wanna hug you and make you uncomfortable
You know, shawty, you know
All you gotta do is hit a nigga phone one time
I'm a pull up on you fourth quarter when it's crunch time
You know

Uh you know, they don't never do it better than the boy
Have you in the dealer like a kid pick a toy
Lord she say that she never been on a PJ, mile high
Fuck her and her friend on the PJ
You know I flew that girl to Turks on her bday
I got up under her skirt on her bday
Know I keep it in the stash house, on keepsake
Know I walked in, a hundred thou on the pre-k
Yeah, a hundred thou, back to back for a week straight
Girl you know how we play

And you know, and you know
He don't be fuckin' you like I be fuckin' you
He wanna hug you and make you uncomfortable
You know, shawty, you know
All you gotta do is hit a nigga phone one time
I'm a pull up on you fourth quarter when it's crunch time
You know

You stay a hundred with me, I stay a hundred with you
They wasn't fuckin' with me, 'cause I was fuckin' with you

They said "She fuckin' with him" I'm like, "She fuckin' with who?"
'Cause now she fuckin' with me, ha

He don't be fuckin' you like I be fuckin' you
He wanna hug you and make you uncomfortable
You know, shawty, you know
All you gotta do is hit a nigga phone one time
I'm a pull up on you fourth quarter when it's crunch time
You know

You know baby, somethin' 'bout you lately
You know, you know, you (one time) never seize to amaze me (crunch time)
You know baby, somethin' 'bout you lately
You know, you know, you (one time) never seize to amaze me (crunch time)
(One time, crunch time, you know)
You know, you know
You know, you know
(You know, you know, you know)
(You know, you know, you know)
